Executive Board Meeting

July 21, 2015

Time: 6:30 P.M.

Place: Nash Fire Station

Vice-President David Glenn called the meeting to order (6:30 P.M.)

Brother Burt Phillips gave the opening prayer. Danny Freeman has had to have surgery and everyone please keep Danny in your prayers. Hopefully he will have a speedy recovery.

Treasurer report was presented by Anita Nettles.

- Current Balance-----\$10,035.00
- Post Office Box Rent Due----- < 164.00>

Main topic of discussion was the linking of the repeaters. An update on cost and equipment was presented by the committee. It was discussed whether to put the link between the 45 machine and New Boston repeater. If we used the 45 location we would have a generator backup and this would be a real plus in case of a major power outage. It was also, mentioned that we might want to consider replacing the 62 repeater with a new piece of equipment. Lots of options were presented and cost are going to have to be reexamined. Hopefully there will be some cost figures available for the August meeting.

Field day was discussed. It was the consensus that we needed to see if vendors were going to return. Several voiced their opinion that if they had to pay for tables they would not be back. At the end of the discussion Jason Spivey said we needed to explore maybe having a gun show combination hamfest. There was a lot of interest in this and it is going to be addressed at a later date.

Motion was made to adjourn by Robert Bailey and second by David Teague. (8:20 P.M.)
