

Four States Amateur Radio Club

June 6 2016

Attendees:

| | | | |
|-------------------|-------------------|------------------|----------------|
| David Glenn | Robert Talent Jr. | Roger L Robinson | Steve Rogers |
| Clarence Shilling | Bert Phillips | Kathy Phillips | Ronnie Rumsey |
| Arthur Christie | Robert Bailey | Gregory English | Anita Nettles |
| Charlie Conkey | David Ramsey | Bob Talent | Igancio Guzman |
| Jim Hickey | Monroe Lee | Matt Keathley | |

Meeting was called to order by Steve Rogers at 09:30.

Prayer and Pledge: was offered by the club chaplain Jim Hickey AC7EE

Treasure Report: Anita Nettles reported a balance of \$11,336. Treasures report was motioned for acceptance by Greg English and seconded by Robert Bailey. **Motion carried.**

Meeting minute: No meeting minutes were presented by Robert Bailey for the month of May as this was a Ham-Fest month for our club.

Old Business:

Arthur Christie stated that the club still has two antennas to be mounted for the 146.62 and 147.200 repeaters. Both antennas are in club inventory. No climbers have been identified to date.

Arthur announced that the last sky warn event received high praises and was well appreciated by the NWS. Arthur received two calls praising our sky warn efforts. A great job was done by all.

Cleanup for the 146.62 site needs to be done. No specific date has been determined as yet.

Money from the ham fest was reported to be 1,397

It was also reported that some special members provided donations.

Gregory English mentioned the need for storage area for club inventory. Steve Rogers indicated that he has requested an additional storage area for the Fire Department and that it may be possible to co-locate properties.

Field day is scheduled for June 25th and 26th at Spring Park Lake. The Pavilion cannot be reserved and no power is available. We will have to utilize pop-up tents and auxiliary power. Field day us a 24 hour emergency preparedness test for exercising Amateur Radio communications in adverse conditions. Everyone is encouraged to bring sufficient provisions to sustain a 24 hour event.

Carl Lyman presented his new QRP rig to interested parties. A lot of interest was generated. His new QRP rig could be an asset in an emergency environment.

Motion to adjourn was motioned by Gregory English and seconded by Daniel Dieffenbacher.
Motion carried.
