

F O U R S T A T E S AMATEUR RADIO CLUB

Texarkana, USA • www.4SARC.org

June 03, 2021

We are looking for more Net Control Operators!! If you are willing, please let me know.

The Net Control Operator tonight is David Jackson KE5ZHF. Pre-net visiting and early check-ins start around 7 PM and the “formal” part of the Net starting with Prayer and Pledge at 7:30 PM.

Here is the rotation for net control. This is subject to change and most the time without notice! If you cannot fulfill your duties on your night, please contact the next weeks’ net control operator.

Jun 17 - Greg Waits

Jun 24 - Clarence Shilling

Jul 01 - Eric Richards

Jul 08 - David Jackson

Jul 15 - Greg Waits

Jul 22 - Clarence Shilling

Jul 29 - Eric Richards

Meeting Notice!

There will NOT be a July meeting. This is July 4 weekend. The next meeting will be August 7.

The June meeting was our last time to meet at Texas Chuckwagon. They are opening the private meeting room we have been using to public seating.

Therefore, we are in search for another breakfast location. If you know any restaurant with a meeting room, please let us know.

D Star Nets

There are 2 D-star nets that you may be interested in.

Sunday at 8:30pm on reflector 77A. This is a Nashville net. Then switch over to Nashville analog repeater at 9pm for the FM net.

Tuesday at 7:30 on reflector 48B. I believe this is a Little Rock net. There has been couple of local operators check in.

You may use a dongle or change the 4SARC club D-Star repeater to any reflector. Keep in mind, that after 15 minutes of no key up, the club D Star repeater will change automatically to reflector 1C. So, just key up about 14 minutes!

Cable Email Address

In case you have not heard, Sparklight Cable is discontinuing email service. Therefore, you may need to create a different email account. The most popular is Google email, or Microsoft Outlook.

<https://outlook.live.com/owa/>

Be sure to change your email address for 4SARC.org to continue receiving the club's newsletter. Login, then goto Members Only / Membership Account Detail. [Membership Account Detail – Four States Amateur Radio Club \(4sarc.org\)](#)

Field Day

Field Day is always the last full weekend in June. This year it falls on June 26-27. ARRL has posted rules at their website. We have a lot of new hams this year that are probably wondering what Field Day is.

If you would like to know more go to <http://www.arrl.org/field-day#rules>

Sportsman Cove has been reserved. Big Jakes catered the last Field Day. This worked very well and would like to do it again this year. The Atlanta Club and Miller County ARES may be joining us this year.

<https://goo.gl/maps/FP26HgZ3zQ2CL1wj7>

Turn on 2148 from highway 59 at the Lakeway Country Store. Drive 1.3 miles then turn left on Clear Springs Road. Turn left on Markham (Intake Road).

Tuesday morning breakfast is at B and J Downtown Diner! Located at 422 N. Stateline Avenue just behind the courthouse.

Friday Morning breakfast at Johnny B's. They now open at 6am!

Change of Address

Change of Address

If you need to change your address to comply with FCC rules. There are two ways to do this. The easiest is to do it online at FCC website. The link is [Common Amateur Filing Task: Changing Address | Federal Communications Commission \(fcc.gov\)](#). Follow the instructions.

The second way to fill out a 605 form and mail it in. The link is <https://www.fcc.gov/file/19403/download>. Mail the form to :

FCC
1270 Fairfield Road
Gettysburg, PA 17325-7245

Steve Ogelsby, KX5FUZ, has been appointed as the ARRL ARES Emergency Coordinator for Bowie, Cass, and Morris Counties.

If you would like to join Bowie County ARES, submit the form at

http://www.4sarc.org/?page_id=1074

Doug Ramsey, KF5WXF, is the Emergency Coordinator for Miller County. If you would like to join Miller County ARES, see their website

<https://aresweb.wixsite.com/mcares>.

The Emergency Coordinator of Tyler has announced they have new repeater located at 147.380 MHz / 136.5 Hz tone.

They have also started up a digital repeater, Digi/KANode: alias "gilmer" 145.010 MHz which provides a path for their WinLink RMS Gateway N9JN-10.

D-Star Change

The club's D-Star default reflector is 001C. Anybody can switch to a different reflector. **The timeout has been changed to 60 minutes of no activity**, the system will automatically switch back to 001C. The 15 minute timeout was causing an issue when checking into a long net. Before you get a chance to check-in, the system will switch back.

Please be courteous! If you change reflectors and you have finished your QSO, please change it back to 001C.

We don't always have a radio with us all the time. But most of us don't leave home without our cell phones.

This has become very useful. Since I am in direct communication with the meteorologist at the National Weather Service, I usually know about pending weather before it is publicly broadcasted. There have been a few times where this was useful when non-weather related information needed to be disseminated quickly.

If you would like to be added to this group, email me at KF5VWN@windstream.net.

Ready for your Technician or upgrade to General, or Extra?

Email us at exam@4sarc.org! It's that easy!

Got NET?

Sunday	8:30	Daingerfield	145.230 / 151.4
Sunday	8:30	D-Star	REF 77A
Sunday	9:01	Nashville	147.045 / 107.2
