If you need to change your address to comply with FCC rules. There are two ways to do this. The easiest is to do it online at FCC website. The link is [Common Amateur Filing Task: Changing Address | Federal Communications Commission \(fcc.gov\)](#). Follow the instructions.

The second way to fill out a 605 form and mail it in. The link is <https://www.fcc.gov/file/19403/download>. Mail the form to :

FCC
1270 Fairfield Road
Gettysburg, PA 17325-7245

D-Star Change

The club's D-Star default reflector is 001C. Anybody can switch to a different reflector. **The timeout has been changed to 60 minutes of no activity**, the system will automatically switch back to 001C. The 15 minute timeout was causing an issue when checking into a long net. Before you get a chance to check-in, the system will switch back.

Please be courteous! If you change reflectors and you have finished your QSO, please change it back to REF001C.
